

SUMMER YOUTH ENRICHMENT OPPORTUNITIES!

\$249
PER WEEK

CAREER EXPLORATION: ADVANCED MANUFACTURING & DISTRIBUTION

Middle school and high school students will spend one week (Mon.-Thurs.) during the summer discovering the various opportunities offered here in Orange County in the advanced manufacturing and distribution industries. Morning instruction at the Middletown Campus of SUNY Orange will be followed by an interactive, hands-on afternoon program at the following facilities:

Ball Corporation | McKesson | President Container Group | Satin Fine Foods

Lunch will be provided each day. Closed-toe shoes (no heels) are required.

SUNY ORANGE - MIDDLETOWN CAMPUS

115 South Street | Middletown, NY 10940

8:30 AM - 5:00 PM

JULY 16-19 // (Entering Grades 8-9)

JULY 23-26 // (Entering Grades 10-12)

Dr. John Yelle, Operations Manager at Advance Coating Technologies, a subsidiary of Pratt & Whitney Aircraft Engines, will instruct the students with tailored programs to offer unique, informative and relevant experiences.
